The IUCN Council will consider proposals received during its meeting in May 2022 at which point it will appoint the Interim Chair. The Interim Chair will select the candidates for membership of the Interim Steering Committee for appointment by Council from the list of those who submitted expressions of interest pursuant to this announcement.

When considering possible candidates for Interim Chair, IUCN Members and Commission members are asked to keep in mind that the individual concerned must not only have the relevant professional expertise, but also the time, personal commitment and if at all possible, institutional support to make it possible to carry out the demanding duties of a Commission Chair. May we also remind you of the statutory requirement that, as a whole, the Commission Chairs come from a diverse range of Regions and that not more than two Commission Chairs may be from any one State. The list of Commission Chairs currently in office indicating the State they are from is available below.

The Interim Chair appointed by the Council will serve until the close of the 2025 IUCN World Conservation Congress, when the election process will follow the details set out in the IUCN Statutes.
