Co-hosted by the Nairobi Work Programme and IUCN

5th December 2019, 14:00-17:00

UNFCCC COP 25

IFEMA - Feria de Madrid

Avda. del Partenón, 5 28042 Madrid, Spain

Meeting room 23/NCC

- 1. Welcome from the UNFCCC Secretariat and IUCN**
- 2. Updates from meeting participants (Two minutes per FEBA member organization on activities since June 2019; no slides)**
- 3. Updates from the FEBA Secretariat**
- 4. Presentation by the Nairobi Work Programme: Updates on the 13th Focal Point Forum, Expert Group and Scoping Paper on the thematic area of oceans, coastal areas and ecosystems, including mega deltas, coral reefs and mangroves as well as slow onset events**
- 3. For discussion:**
 - 1. Methods and goals for engaging with diverse and complementary networks, e.g. Youth4Nature, Global Commission on Adaptation, Global Adaptation Network, Global EbA Community of Practice**
 - 2. Disseminating FEBA and member knowledge products to the audiences most in need of this knowledge, or not yet adequately reached**
 - 3. Contributing to incorporation of EbA and NbS into NDC revisions and their implementation**
 - 4. Upcoming opportunities for FEBA collaboration (networks, publications, conferences, etc.)**
- 4. Any other business**

Finding the room:

Meeting room 23 is located on the 1st floor of the North Convention Centre (NCC/CCN), right at the other end of the venue from the Entrance (where registrations happen) – in the section marked in yellow on [this floor plan](#). You may need to access it via Hall 9 (passing by a restaurant called Plaza Mayor) because of security restrictions (which may or may not hold all week). So please set aside at least 10-15 mins to walk to the meeting room from the entrance section, once you've been registered and scanned into the venue.
