

Members' Meeting Agenda

Virtual | Wednesday, May 25 2022 | 09:00-12:00 EDT / 15:00-18:00 CEST

[Friends of EbA \(FEBA\)](#) meetings are an opportunity for our network to come together to share updates on their Ecosystem-based Adaptation (EbA) work, to make connections on upcoming opportunities and collaborations, to discuss gaps and identify thematic priorities for the following year, and to receive highlights and updates from working groups, the FEBA Secretariat as well as other key speakers.

Start Time*		Content	Inputs
(EDT)	(CEST)		
09:00	15:00	Welcome and Openings
