

TOYOTA

8th IUCN Asia Regional Conservation Forum
Reimagining Conservation in Asia: A Nature Positive Future

Bangkok, Thailand

3-5 September 2024

List of side events and poster exhibitions

Side events

4 September 1645 to 1800

	Room	Title	Organiser
1	Panisea I	Innovative approaches to combat illegal wildlife trade	Department of National Parks, Wildlife and Plant Conservation, World Wide Fund for Nature
2	Panisea II	Act30: fair and effective area-based conservation - advancing the Kunming-Montreal Global Biodiversity Framework Target 3 in Asia	International Indigenous Forum on Biodiversity, IUCN, Environmental Systems Research Institute
3	Panisea III	Assessment of biodiversity outcomes, monitoring and reporting on protected and conserved area quality and metrics for Target 3	World Commission on Protected Areas, EarthRanger
4	Riverside IV	Beyond Illegal, Unregulated, and Unreported (IUU): addressing unselective, unsustainable, and unmonitored fisheries through a new IUCN situation analysis	Centre for Science and Knowledge, IUCN
5	Riverside VI	Strengthening landscape approaches in Asia: restoring and conserving ecosystems, reducing risks, and empowering communities	Regional Community Forestry Training Center, Center for International Forestry Research and World Agroforestry, Coorg Wildlife Society, Landscape Partnership Asia Secretariat, Asian Forest Cooperation Organization, Asia-Pacific Network for Sustainable Forest Management and Rehabilitation, IUCN Asia Regional Office

	Room	Title	Organiser
6	Riverside VII	Mechanisms to Facilitate Synergistic Delivery of IUCN and MEA Resolutions and Decisions - World Coastal Forum & Global Gibbon Network	Eco Foundation Global

4 September 1815 to 1930

	Room	Title	Organiser
7	Panisea I	WCC-2020-Resolution 120 “towards a policy on natural capital”	Commission on Environmental, Economic and Social Policy (CEESP)-Commission on Ecosystem Management (CEM) Natural Capital Task Force
8	Panisea II	Nature-based Solution in Asia: Practices, Perspectives and Roadmap	NbS Asian Hub, IUCN Asia Regional Members Committee, SEE Foundation and IUCN Asia Regional Office
9	Panisea III	Consultation on IUCN’s freshwater biodiversity strategy	IUCN Water Programme
10	Riverside IV	Ecosystem restoration through nature solutions on carbon positivity	National Committee of IUCN Members in Nepal
11	Riverside VI	Decade of conservation: Asia Protected Areas Partnership celebrating 10 years of advancing protected and conserved areas governance and management in Asia	Asia Protected Areas Partnership member countries led by the Maldives as current APAP Co-chair
12	Riverside VII	Enhancing IUCN – business collaboration in Asia	National Committee of IUCN Members in Japan, National Committee of IUCN Members in the Republic of Korea, Nature Conservation Society of Japan

5 September 1145 to 1300

	Room	Title	Organiser
13	Panisea III	Tigers: leading the charge for a nature-positive Asia	IUCN Asia, Kreditanstalt für Wiederaufbau, Integrated Tiger Habitat Conservation Programme, Department of Forests and Park Services of Bhutan, National Trust for Nature Conservation of Nepal, WildTeam Bangladesh, Wildlife Conservation Society Indonesia

	Room	Title	Organiser
14	Riverside IV	Bridging the gap: regional platforms/partnerships to strengthen capacity across the Coral Triangle	Deutsche Gesellschaft für Internationale Zusammenarbeit, Coral Triangle Center, Coral Triangle Initiative on Coral Reefs, Fisheries and Food Security, WWF Coral Triangle Programme
15	Riverside VI	Other effective area-based conservation measures in China and Asia – developments, experiences and societal participation	SEE Foundation, IUCN China
16	Riverside VII	Achieving the Kunming-Montreal Global Biodiversity Framework - importance of area-based conservation measures as an effective tool	Foundation for Ecological Security

Poster exhibitions (in Riverside V)

	Title	Organiser
1	Biodiversity-friendly aquaculture to build resilient ecosystem and bring transformative changes in aquaculture practice in Indian Sundarban – a case study	Nature Environment and Wildlife Society
2	Management of Korea National Parks (protected areas) using ICT equipment	Korea National Park Service
3	Continuous Efforts of KNPS to Restore Coastal Sand Dunes	Korea National Park Service
4	Strengthen management of threat factors in the health of natural ecosystems	Korea National Park Service
5	Potential of Community Forestry as OECMs in Asia	Regional Community Forestry Training Center
6	Facilitating knowledge exchange and solution scaling for marine protected areas: Lessons learned from the SEA Success project	Department of National Parks, Wildlife and Plant Conservation, Thailand
7	Partnering with IUCN for Preparing the Korea Private Sector for Nature-Related Disclosures	National Institute of Ecology
8	Community-Based Forest Management; A Strategy for Ecosystem-based Adaptation in the Philippines	Non-Timber Forest Products – Exchange Programme Asia
