

**"A New Climate for Change" WCC Forum Opening Session Oct. 6 11:30-13:00 Room 211**

## WORKSHOPS

time	room	title	organization
<b>Oct. 6</b>			
14:30 - 16:00	122	Accelerating transitions to sustainable energy futures.	IUCN
14:30 - 16:00	125	Traditional practices of adaptation to climate change and variability	IUCN - Social Policy , Forest and CEESP
16:30 - 18:00	124	La protección, mejora y restauración de los ecosistemas forestales en un mercado voluntario de carbono: retos y oportunidades.	Acció Natura
16:30 - 18:00	116	Is there "room" for gender in climate change?	IUCN - Gender
16:30 - 18:00	134	Environment and Security Part I.	IUCN CEC
18:30 - 20:00	121	From Chico Mendes to Copenhagen: Learning from Forest Peoples how to make REDD work.	Environmental Defense Fund
18:30 - 20:00	134	Environment and Security Part II	IUCN CEESP
<b>Oct. 7</b>			
09:30 - 11:00	Poble	Mobile indigenous peoples governing the landscape: flexibility and resilience in the face of climate change.	African Studies Centre
09:30 - 11:00	133	Gestión territorial del riesgo y adaptación al cambio climático.	INTERCOOPERATION
09:30 - 11:00	134	Linking climate change adaptation practice and policy in Eastern and Southern Africa	IUCN - Forest, East and Southern Africa Regional Office
09:30 - 11:00	115	Indigenous Peoples and Extractive Industries.	IUCN CEESP
09:30 - 11:00	124	United States Leadership in Addressing Global Climate Change: Prospects and Reality.	Natural Resources Defense Council
11:30 - 13:00	122	Gender and biodiversity conservation and management: communicating a lost world?	Both ENDS
11:30 - 13:00	133	What Will it Cost to Make the World Protected Areas Network Resilient to Climate Change?	Conservation International
11:30 - 13:00	117	Can we reach an equitable post-2012 agreement on climate change? Giving a voice to developing countries	IUCN - Climate Change
11:30 - 13:00	AUD	Delivering Multiple Benefits from Forest Carbon Markets to Address Climate Change, Biodiversity Conservation and Poverty Alleviation	IUCN Chief Economist
11:30 - 13:00	115	Looking Forward to Islands: IUCN Islands Initiative, Global Island Partnership and Outcomes of the Reunion 2008 Conference	IUCN Regional Office for Europe
14:30 - 16:00	122	Áreas Protegidas e Hidrocarburos. Son conciliables?	APECO
14:30 - 16:00	124	The Impacts of Climate Change on Marine Ecosystems and Fisheries.	Institute of Zoology, Zoological Society of London
14:30 - 16:00	PB	Climate change vulnerability, rights and justice	IUCN - Climate Change, Social Policy
14:30 - 16:00	115	Energy, Climate Change and Biocultural Diversity Loss.	IUCN CEESP
16:30 - 18:00	122	Mediators of change? The relevance and potential of protected areas for adaptation to climate change.	Governance of Biodiversity (GoBi) Project, Ernst Moritz Arndt University of Greifswald
16:30 - 18:00	124	When Contemporary Science and Indigenous Knowledge Collide - Two Ways of Knowing to Survive and Thrive as the Climate Changes.	Inuit Circumpolar Council
16:30-18:00	123	Large Marine Ecosystem indicators of coastal ocean condition.	USDOC/NOAA National Marine Fisheries Service
18:30 - 20:00	211	Climate change adaptation in the context of development cooperation	Danish Ministry of Foreign Affairs
18:30 - 20:00	127	Triggering Behavioral Changes - Bringing Values and Principles of Sustainability into Education.	Earth Charter International (ECI)
18:30 - 20:00	131	Fire Management Actions Alliance: Protecting People, Communities and Ecosystems.	FAO
18:30 - 20:00	122	Can the Amazon resist Climate Change? Indigenous territories and Parks offer hope and an integrated approach to biodiversity, sacred sites and livelihoods.	Fundación Gaia Amazonas
<b>Oct. 8</b>			
09:30 - 11:00	116	Agentes locales y espacios naturales: un nuevo marco para la conservación y la calidad de vida.	Àrea d'Espais Naturals, Diputació de Barcelona
09:30 - 11:00	117	What does it take to make REDD a viable proposition? The case for investing in forest governance! Part I: An inventory of issues	IUCN - Forest

09:30 - 11:00	124	Climate change and species extinctions: New approaches to support decision-makers and planners	IUCN SSC
09:30 - 11:00	Poble	Community-based approaches to climate change adaptation in wetland ecosystems.	Wetlands International
11:30 - 13:00	131	Take a chance For Nature: innovative funding models at work.	Association of Charity Lotteries in the European Union
11:30 - 13:00	117	What does it take to make REDD a viable proposition? The case for investing in forest governance! Part II: Current experiences with 'the nuts and bolts'	IUCN - Forest
11:30 - 13:00	115	Water and climate change debate: What use is nature for people and development?	IUCN - Water Programme
11:30 - 13:00	122	Turning the tide: A Pacific youth vision of leadership on climate change.	Pacific Regional Environment Programme
11:30 - 13:00	124	Community Forest Tenure, Governance and Benefits: The missing links to climate change mitigation and adaptation.	Rights and Resources Initiative
14:30 - 16:00	127	Climate Change as an Opportunity for Conservationists to Build New Alliances.	California Institute of Public Affairs
14:30 - 16:00	124	Coral reef resilience – coping with change through diversity.	Coastal Oceans Research and Development, Indian Ocean
14:30 - 16:00	Poble	Local & Indigenous Peoples and REDD	Conservation International
14:30 - 16:00	129	Ecological Footprint: Linking Human Well-Being and Biological Capital.	Global Footprint Network
14:30 - 16:00	116	Building Competencies for Partnerships with the Private Sector.	IUCN CEC
16:30 - 18:00	128	Biofuels - Potential, Challenges and Solutions	IUCN CEL
16:30 - 18:00	124	Managing for Coral Reef Resilience: Recent Developments and New Directions.	The Nature Conservancy
16:30 - 18:00	127	The power of communications and marketing – towards sustainable consumption.	World Business Council for Sustainable Development
18:30 - 20:00	115	Beyond protected areas, beyond conservation: the value of the ecosystem approach to broader debates	IUCN CEM
18:30 - 20:00	133	Climate of Conjecture? A scenarios game activity on biodiversity prospects, in four possible (un)sustainable Pacific futures.	Landcare Research
<b>Oct. 9</b>			
09:30 - 11:00	117	Too much of a good thing? Biodiversity, Biofuels and Balancing Agendas.	The World Bank
11:30 - 13:00	PB	Climate-proofing biodiversity inside and outside protected areas through connectivity conservation initiatives	IUCN - Protected Areas
11:30 - 13:00	124	Adaptación al cambio climático en América Latina: retos locales, nacionales y regionales para mejorar la salud de los ecosistemas y los medios de vida	IUCN - South America and Meso America
11:30 - 13:00	130	Climat, développement et développement durable.	Organisation Internationale de la Francophonie
14:30 - 16:00	122	Livelihood Centred Adaptation to Climate Change and Ecosystem Management: Sharing Early Experiences.	Bangladesh Centre for Advanced Studies (BCAS)
14:30 - 16:00	134	Energy, Ecosystems and Livelihoods – have your say!	IUCN - Energy
14:30 - 16:00	PB	Reversing climate change – Is marine geo-engineering a solution?	IUCN - Marine Programme
<b>KNOWLEDGE CAFES</b>			
time	event #	title	organization
<b>Oct. 6</b>			
16:30 - 18:00	260	Climate Friendly National Parks in the United States - Fostering Climate Change Interpretation and Citizen Engagement.	U.S. National Park Service
16:30 - 18:00	263	GEF Partnership on Climate Change Adaptation and LULUCF.	The Global Environment Facility
tbd	345	Beyond the Science: Getting down to business in addressing climate change.	World Economic Forum
<b>Oct. 7</b>			
09:30 - 11:00	451	Great Apes and Climate Change.	UN Great Apes Survival Project
11:30 - 13:00	520	Consultation on experiences with the GEF and report from Alexandria conference on evaluating climate change.	GEF - Evaluation Office
16:30 - 18:00	743	Investing in protected productive areas.	Earthmind
<b>Oct. 8</b>			
09:30 - 11:00	1057	Action in Sustainability: thinking globally, acting locally.	a natural resource
09:30 - 11:00	1087	Indigenous Peoples and Climate Change: Mobilizing Capacity Needs and Collaborative Action	Conservation International
14:30 - 16:00	1132	Impacts of Trade and Climate Change: Bringing Together the Stakeholders.	Center for International Environmental Law
<b>Oct. 9</b>			
09:30 - 11:00	923	Vigilancia local para la incidencia regional.	Liga de Defensa del Medio Ambiente

IUCN is working to include biodiversity concerns in adaptation and mitigation policies and practice. IUCN is also furthering natural resource management strategies that help biodiversity and people adapt to the impacts of climate change.

**IUCN's Climate Change Initiative** coordinates and facilitates climate change work across IUCN's thematic and regional programmes, Commissions and member organizations. [www.iucn.org/climate](http://www.iucn.org/climate)

Ninni Ikkala, IUCN Climate Change Officer: [ninni.ikkala@iucn.org](mailto:ninni.ikkala@iucn.org), +41 22 999 0106 (Gland, Switzerland)
