

# NATURAL SOLUTIONS

Protected Areas meeting Global Environmental Challenges

Date: Tuesday June 19, 2012

Time: 11.15-14.45

Location: Rio Pavilion, Athletes Park, Rio de Janeiro

Chair: Nik Lopoukine, Chair IUCN/WCPA

A wide-angle landscape photograph showing a range of rugged, snow-capped mountains under a clear blue sky. The mountains are reflected in the still, turquoise water of a lake in the foreground. The shoreline is lined with dark green evergreen trees.

WCPA and LifeWeb invite you to Presentations and a Panel Discussion on the role that protected areas, under different governance regimes, play in promoting sustainable solutions to climate change, land degradation and biodiversity loss and contributing to the green economy.
