List of accepted Aliances Workshops by Thematic Stream

Stream *A new climate for change*

Code	Title	Organizer	Type
98	Supporting Nations in Natural Capital Accounting with the Ecological Footprint	Global Footprint Network	Combined workshop
185	Agentes locales y espacios naturales: un nuevo marco para la conservación y la calidad de vida	Área de Espacios Naturales, Diputación de Barcelona	Aliances workshop
194	Hemispheric Networks Facilitate Multi-Country Partnerships	Organization of American States	Aliances workshop
259	Climate Friendly National Parks in the United States - Fostering Climate Change Interpretation and Citizen Engagement.	U.S. National Park Service	Combined workshop
285	Climate Change as an Opportunity for Conservationists to Build New Alliances	California Institute of Public Affairs	Aliances workshop
335	Livelihood Centred Adaptation to Climate Change and Ecosystem Management: Sharing Early Experiences	Bangladesh Centre for Advanced Studies	Aliances workshop
350	Climat, développement et développement durable	Organisation Internationale de la Francophonie	Aliances workshop
351	Climate Change Adaptation at Community Level: Implications for Conservation of Biocultural Diversity.	The Christensen Fund	Aliances workshop
382	Areas Protegidas e Hidrocarburos: son conciliables?	Asociación Peruana para la Conservación de la Naturaleza	Aliances workshop
399	Mediators of change: the relevance of protected areas for adaptation to climate change	University of Greifswald	Aliances workshop
400	CeroCO2 Iniciativa para el cuidado del clima. Oportunidades del mercado voluntario de reducción y compensación de emisiones para la conservación y restauración de la biodiversidad.	Acció Natura	Aliances workshop
437	Integrated Climate-Biodiversity-Livelihoods Strategies	The Gaia Foundation	Aliances workshop
503	Leveraging the power of communications, advertising and marketing	World Business Council for Sustainable Development	Aliances workshop
548	Biofuels: a win- win- win solution for Climate Change? .	International Institute for Environment and Devt.	Aliances workshop
563	United States Leadership in Addressing Global Climate Change: Prospects and Reality	Natural Resources Defense Council	Aliances workshop
571	Community Forest Tenure, Governance and Benefits: The missing links to climate change mitigation and adaptation.	Rights and Resources Initiative	Aliances workshop
583	Experiencias en la construcción participada de normas en grandes urbes: conservación y sustentabilidad para mitigar el cambio climático	Fundación Ambiente y Recursos Naturales	Aliances workshop
588	Too much of a good thing? Biodiversity, Biofuels and Balancing Agendas	The World Bank	Aliances workshop
611	Reduced Emissions from Deforestation and Degradation (REDD): Moving the Negotiations Forward	Environmental Defense	Aliances workshop

636	Applications of climate-related traditional knowledge of indigenous and local communities for climate change mitigation and adaptation	CEESP IUCN	Aliances workshop
647	Climate of conjecture? - A scenarios game to stimulate interest in future sustainability directions	Landcare Research	Aliances workshop
654	Gestión territorial del riesgo y adaptación al cambio climático	INTERCOOPERATION	Aliances workshop
659	Bringing Values and Principles of Sustainability into Education – an Earth Charter Learning Opportunity	Earth Charter International	Combined workshop
748	Climate Change and the Voluntary Fire Management Actions Alliance	Fire Management Actions Alliance, Secretariat FAO	Aliances workshop
890	Gender and biodiversity conservation and management: communicating a lost world?	Both ENDS	Aliances workshop
899	Turning the tide: A Pacific youth vision of leadership on climate change	Secretariat of the Pacific Regional Environment Pr	Aliances workshop
1120	What Will it Cost to Make the World Protected Areas Network Resilient to Climate Change?	Conservation International	Combined workshop
1127	Climate change and the role of protected areas	The Nature Conservancy	Combined workshop
1162	Globalization and mega-projects: Cross-scale challenges to world conservation and global ecosystems.	Centro para la Sostenibilidad Ambiental - UPCH	Aliances workshop
1178	An energy hierarchy helping energy intensive industry to move towards more sustainable sources of energy	Organizer tbc (Energy Initiative)	Aliances workshop
1264	Committing to Action: Climate Change and the Convention on Biological Diversity	Secretariat of the Convention on Biological Divers	Aliances workshop
2000	Climat, développement et développement durable (titre provisoire)	Organisation Internationale de la Francophonie	Aliances workshop

World Conservation Forum

List of accepted Aliances Workshops by Thematic Stream

Stream *Healthy environments - healthy people*

Code	Title	Organizer	Type
99	Ecological Footprint: Linking Human Well-Being and Biological Capital	Global Footprint Network	Combined workshop
109	The Value of the 'One Health' Entry Point for Facilitating Conservation and Development Success	Wildlife Conservation Society	Aliances workshop
113	Sustainable Papua Initiative	Samdhana Institute	Aliances workshop
161	Wild and well: sustainable use in the herbal products industry	Medicinal Plant Specialist Group SSC-IUCN	Aliances workshop
163	Uso de camelidos silvestres en paises andinos: hacia un paradigma de equidad, alianzas y participacion.	The World Conservation Union	Aliances workshop
201	Man and Nature: Improving Biodiversity and Landscape Quality on organic farms	Int Federation of Organic Agriculture Movements	Aliances workshop
235	Faith in the Future: Partnering with the largest Social Networks of the World - the Major Religions	Conservation International	Aliances workshop
236	A vote for future generations for safeguarding present resources	NONE	Aliances workshop
255	Observatorio Ambiental sobre IIRSA, una propuesta regional sudamericana en construcción.	Fundacion PROTEGER	Combined workshop
257	Ecological Aspects of Environmental Impact Analysis	Institute of Ecology and Environmental Management	Combined workshop
266	GEF and Mainstreaming Biodiversity in Production Landscape and Seascape	The Global Environment Facility	Combined workshop
320	Valuing ecosystem services: from science to practice	Wageningen University	Aliances workshop
353	Conservation in the Real World: Mainstreaming Biodiversity in Production Landscapes	The World Bank	Aliances workshop
377	Global Shark Finning Ban	Programa Restauración de Tortugas Marinas	Combined workshop
401	Healthy ecosystems for healthy agricultural production	Bayer CropScience AG	Aliances workshop
423	Mineral Resources & Protected Areas : Integrating Land-Use Planning	International Council on Mining & Metals	Combined workshop
425	Bridging the gap between agriculture and nature conservation	Bioversity International	Aliances workshop
446	Sustainable Hunting Tourism - A valuable tool for conservation and sustainable development!	CIC - International Council for Game and Wildlife Conservation	Aliances workshop
447	Certifying commodities, beauty or beast?	IUCN National Committee of the Netherlands	Aliances workshop
450	Training the Trainers to value and finance Ecosystem Services and Natural Capital.	Triple E	Aliances workshop

494	Working with loggers to ensure sustainable practices	Rainforest Alliance, Inc.	Aliances workshop
514	Environmental health and wealth: Innovations from conservation through use	World Conservation Union (SSC-ESUSG)	Aliances workshop
516	Voice of the Voiceless	The World Conservation Union	Aliances workshop
519	Protected areas, equity and livelihoods: assessing social impacts and operationalising the "do no harm" principle	CARE International	Aliances workshop
532	Visualising Ecosystem Services / Putting ES on the Map	Conservation International	Aliances workshop
561	Valuing natural capital – overcoming barriers to market valuation of biodiversity and ecosystem services.	Fauna & Flora International	Aliances workshop
566	Following the Nature, Wealth and Power trinity to Healthy Environments and Healthy People	Wildlife Conservation Society	Aliances workshop
572	Taller sobre el Sistema de Humedales Paraguay-Paraná: construyendo un programa regional de sustentabilidad y equidad.	Fundacion PROTEGER	Aliances workshop
575	La Conservación privada como herramienta para el logro de la sustentabilidad ambiental, social y económica	Fundación Ambiente y Recursos Naturales	Aliances workshop
581	Population, Health and Environment – Value Added from an Integrated Development Strategy	Woodrow Wilson International Center for Scholars	Aliances workshop
600	Assessing the business risk and opportunities associated with ecosystem change	World Resources Institute	Aliances workshop
601	Linking Ecosystem Services and Development: Tools for public sector decision makers	World Resources Institute	Aliances workshop
604	Biofuels, Deforestation and Global Tree Cover Change	World Resources Institute	Aliances workshop
609	Prospects for South America: Scenario Building to Analyze Impacts from Infrastructure and Global Warming	National Wildlife Federation	Aliances workshop
610	Environment, Development, and Sustainable Peace: Finding Paths to Environmental Peacemaking	Woodrow Wilson International Center for Scholars	Combined workshop
613	Safeguarding the Environment and Life from Chemical Risks: Models of Partnerships and Mainstreaming for Global and Local Benefits	The World Bank	Aliances workshop
648	Using tourism concessions to improve protected area management and funding, build conservation constituencies and improve livelihoods	Conservation International	Combined workshop
649	Participatory management councils for protected areas	Conservation International	Aliances workshop
661	Lighthouses of Hope and Beacons of Inspiration – A Recognition Program for Values and Principles of Sustainability (Earth Charter in Action)	Earth Charter International	Combined workshop
666	Strategic Partnerships for A Diverse and Sustainable World: Developing a Knowledge Network of Protected Areas, Food Producers, and Craftspeople	University of Vermont	Combined workshop
723	Emerging threats to biodiversity - Pharmaceuticals in the Environment	Zoological Society of London	Aliances workshop
765	El turismo como herramienta de desarrollo sostenible: experiencias de la cooperación española.	Agencia Española de Cooperación Internacional	Aliances workshop
766	Oportunidades de financiación de proyectos ambientales en la Cooperación Española.	Agencia Española de Cooperación Internacional	Aliances workshop

784	Utilizing and scaling up place-based, collaborative strategies to impact the regional and landscape level	USDA Forest Service	Aliances workshop
792	Business as Unusual: Multi-stakeholder Partnerships in Action - identifying success factors, measuring of impact, strategies for scaling up and replication	The SEED Initiative	Aliances workshop
827	Improving human well-being and ecological integrity through effective, efficient, engaging ecological restoration.	Parks Canada Agency	Aliances workshop
834	Promoting best practice for biodiversity conservation across the wider oil and gas industry	International Petroleum Industry Environmental Con	Aliances workshop
857	Measuring the impact of community engagement for conservation: Part 1: the need for community integration	Durrell Wildlife Conservation Trust	Combined workshop
858	Quand les communautés s'expriment... pauvreté et développement durable vu et raconté par ceux qui le(s) vivent&	NONE	Aliances workshop
869	Working in a World of Conservation and Development Trade-offs	Global Institute of Sustainability	Aliances workshop
876	Los grandes ríos y sus llanuras de inundación: Ecosistemas únicos, oportunidades únicas	Fundación PROTEGER	Aliances workshop
931	Education for Sustainability and the Next Generation: Promoting a Culture of Sustainable Consumption	NONE	Aliances workshop
1022	Creating a Global Approach to Mitigation of Wetland Loss	The Nature Conservancy	Aliances workshop
1029	Stakeholder Engagement and Environmental Challenges in Corporate Projects in Latin America	Living Earth Foundation	Aliances workshop
1032	Protected Areas for Life: Safeguarding the Long-term Financial Sustainability of Protected Areas	Instituto Nacional de Recursos Naturales (INRENA)	Combined workshop
1065	Contribution of protected areas to national economies and to human wellbeing	Fundación para el Desarrollo del SNAP	Combined workshop
1074	Invasive Species: beyond prevention and eradication	Directorate General for Development Cooperation	Aliances workshop
1092	Measuring the impact of community engagement for biodiversity conservation: Part 2: meeting conservation objectives	Durrell Wildlife Conservation Trust (Durrell)	Combined workshop
1102	Protecting freshwater ecosystems and meeting the needs of the World's growing urban population	The Nature Conservancy	Aliances workshop
1111	Natural resources for peacebuilding	United Nations Environment Programme	Combined workshop
1157	Points of entry: Reforming environmental governance and improving livelihoods through increased public access to decision-making	World Resources Institute	Aliances workshop
1180	Benefiting local communities through micro-enterprise development	Holcim	Aliances workshop
1182	Conservation organizations and agriculture: Who's doing what and how?	Ecoagriculture Partners	Aliances workshop
1191	Land Tenure, Resource Rights and Conservation: Links, Experience and New Directions	World Wildlife Fund - US	Aliances workshop
1245	New vision in global environmental policy: healthy environment for biodiversity conservation and human development	The World Conservation Union	Aliances workshop

1265	Alianzas Locales: experiencias y retos de la membresía desde Mesoamérica	Fundación Natura de Panamá	Aliances workshop
2003	Oriental Wisdom : Alternative Pathways towards Environmental and Natural Resource Management	Good Governance for Social Development and the Environment Foundation (GSEI)	Aliances workshop

World Conservation Forum

List of accepted Aliances Workshops by Thematic Stream

Stream Safeguarding the diversity of life

Code	Title	Organizer	Type
74	Developing a campaign for the protection of Europe's wilderness	PAN Parks Foundation	Aliances workshop
76	Contribución de las áreas protegidas españolas a alcanzar la meta del 2010	EUROPARC España	Aliances workshop
78	Networking land stewardship initiatives at the international level	Fundació Territori i Paisatge	Aliances workshop
88	Local authorities, biodiversity and IUCN governance	COMITE NATIONAL DE L'IUCN	Aliances workshop
100	Biodiversity and Footprint: Offsetting Human Impact on Ecological Services	Global Footprint Network	Combined workshop
103	How to make Business Leaders Leaders for Nature	IUCN National Committee of the Netherlands	Aliances workshop
115	Shark Conservation in Europe - Opportunity or Missed Chance?	Pew Environment Group	Combined workshop
140	Cultural Action for Conservation in Indigenous Domains	CSIRO Sustainable Ecosystems	Combined workshop
147	Examining the Links between Biodiversity, Conservation, and Sustainability through Biomimicry while using Natures 100 Best	The ZERI Foundation	Aliances workshop
151	Presentación Red Internacional de Escritores por la Tierra (RIET)	Mediterrània Centro de Iniciativas Ecológicas	Aliances workshop
165	Conservation and Livelihoods in Production Landscapes: Coffee and cocoa consumers push sustainability in tropical agriculture	Rainforest Alliance, Inc.	Aliances workshop
167	Baseline Criteria for Sustainable Tourism Certification	Rainforest Alliance, Inc.	Combined workshop
173	Espacios naturales y rurales periurbanos, un elemento clave para la sostenibilidad	Federación Europea de Espacios Naturales y Rurales	Aliances workshop
176	Développement des nouveaux outils de financement de la conservation de la biodiversité en Afrique.	Agence Française de Développement	Aliances workshop
178	La gouvernance des aires protegee de categorie 2 : solidarite ecologique, integration regionale et cooperation transfrontaliere	Ministere de l'ecologie, du developpement et de l'	Aliances workshop
182	Measuring and Monitoring Status and Trends in Biocultural Diversity: Global and Local Indicators	Terralingua	Aliances workshop
184	Le programme petites initiatives (PPI) : un outil de financement original et souple, destiné aux petites ONG pour la préservation de la biodiversité	COMITE NATIONAL DE L'IUCN	Aliances workshop
191	Towards a Global Partnership for Sacred Natural Sites - Supporting the conservation of biodiversity and culture(Part 1)	Cultural and Spiritual Values Task Force	Aliances workshop

192	Riesgo de extinción de ecosistemas terrestres: métodos cuantitativos para apoyar definición de prioridades de conservación.	PROVITA	Aliances workshop
198	Création d'un réseau pyrénéen transfrontalier d'espaces naturels protégés	Office national des forêts	Aliances workshop
209	『Valuing Nature, Valuing Networks, Valuing People』 - a collaboration between Eurosite and The EUROPARC Federation	Eurosite	Aliances workshop
212	Résultats du processus consultatif vers un IMoSEB	Institut français de la Biodiversité	Aliances workshop
217	Shark fining	European Bureau for Conservation and Development	Combined workshop
223	Building Public Support for Protected Areas	World Commission on Protected Areas Australia NZ	Aliances workshop
224	Carbon Revenue Opportunities for Protected Areas	World Commission on Protected Areas Australia NZ	Combined workshop
252	Declining Fish Stocks: Are Whales Responsible?	Pew Charitable Trusts	Aliances workshop
256	Professional Issues for Ecologists and Environmental Managers	Institute of Ecology and Environmental Management	Combined workshop
261	Good governance and management of the wildlife trade	Wildlife Conservation Society	Combined workshop
265	The Biodiversity Information for Development (BID) tool	Conservation International	Aliances workshop
267	GEF's efforts in Catalyzing Sustainability of National Protected Areas System	The Global Environment Facility	Aliances workshop
269	GEF's New Strategy and Focus on Integrated Approach for Natural Resources Management	The Global Environment Facility	Combined workshop
272	Global Progress with the implementation of the CBD Program of Work on Protected Areas	Conservation International Andes	Combined workshop
276	WWF Mediterranean Initiative: a new approach to the conservation of the Mediterranean region	World Wide Fund for Nature	Aliances workshop
280	Island biodiversity - issues and opportunities	Nature Protection Trust of Seychelles	Aliances workshop
282	Planning to save a species: a growing consensus to serve a diverse and sustainable world	Wildlife Conservation Society	Aliances workshop
286	Las Mujeres Indígenas en los Escenarios de la Biodiversidad	Fundación Natura Colombia	Aliances workshop
290	Lessons learned from the Pacific Invasives Initiative (PII): A planning and implementation kit for site-based invasive species management.	Invasive Species Specialist Group of IUCN SSC	Aliances workshop
303	Pacific Islands Action Strategy for Nature Conservation and Protected Areas	IUCN Regional Office for Oceania	Aliances workshop
311	Travelife and The Sustainability Store - A one-stop-shop for tourism businesses who want to improve their sustainability.	Federation of Tour Operators	Aliances workshop
319	World Heritage as a contribution to the 2010 target	German Federal Agency for Nature Conservation	Aliances workshop
325	Conservation Education and Communication: exploring tools to engage communities in conservation through African in-situ projects.	NONE	Aliances workshop
326	The Ecological Network of the Alps: An Example for Regional Networking	German Federal Agency for Nature Conservation	Aliances workshop

339	Addressing Intentional Endangerment	NONE	Aliances workshop
347	Diversity of Life as Biocultural Diversity ¶ Implications for Policy& Action.	The Christensen Fund	Aliances workshop
349	Spiritual Capital ¶ The Role of Sacred Landscapes in Sustaining Biocultural Diversity	The Christensen Fund	Aliances workshop
352	Progress Towards the 2010 Target: Establishing networks for reporting and informing biodiversity conservation decision making	Conservation International	Aliances workshop
361	Roundtable Discussion on Biodiversity Offsets at Development Projects and the Business and Biodiversity Offset Program (BBOP)	Forest Trends	Aliances workshop
363	Tools for Capacity Building in Conservation	American Museum of Natural History	Combined workshop
368	Protected areas and sustainable development - Best Practice and Innovation: the View from Canada.	Canadian Committee of the World Conservation Union	Aliances workshop
379	¶State of the Parks¶ ¶ Assessing Performance in Protected Area Management	NSW Department of Environment and Climate Change	Aliances workshop
381	The Last Frontier: Ten Years of the Madrid Protocol on Protection of the Antarctic Environment	IUCN Regional Office for Oceania	Combined workshop
383	Legal Issues in Antarctic Conservation	IUCN Regional Office for Oceania	Combined workshop
385	Sustaining Cultural and Biological Diversity: The Difficult Questions	University of Toronto/The World Conservation Union	Aliances workshop
389	Rio Tinto's Biodiversity Strategy: Implementing a programme to achieve Net Positive Impact on Biodiversity.	Rio Tinto Limited	Aliances workshop
405	Accountability in Governance for Biodiversity Conservation	Alaska Pacific University	Aliances workshop
407	Results of UNEP's initiative on Integrated Assessment of Trade-related Policies and Biodiversity in the Agricultural Sector	United Nations Environment Programme	Aliances workshop
416	Mining and Conservation - Conflict or Consensus	International Council on Mining & Metals	Combined workshop
418	Antarctic Environmental Management: is the Antarctic Madrid Environmental Protocol working at its 10th anniversary, 2008?	IUCN Regional Office for Oceania	Combined workshop
420	Good Practice for Mining and Biodiversity - from Guidance to Action!	International Council on Mining & Metals	Combined workshop
448	Freshwater Biodiversity Conservation and Freshwater Services: Making the Link	Conservation International	Aliances workshop
452	La professionnalisation au service de la préservation de la biodiversité.	Atelier Technique des Espaces Naturels	Aliances workshop
485	Launching a Framework for Forming Intergenerational Partnerships for Sustainable Development ¶ An Invitation from Youth	Earth Charter International	Aliances workshop
486	Small grants ¶ Big changes; Financial support to projects in developing countries	Both ENDS	Combined workshop
490	Implementing Natura 2000: Towards European Sustainable Development	European Habitats Forum	Aliances workshop
496	Engagement with odds: Analysing essentials of successful conservation communication strategies with a forum theatre	NONE	Aliances workshop

499	The RAT Risk Assessment Tool for biodiversity loss due to multiple pressures. A key result of the ALARM project.	Helmholtz Centre for Environmental Research - UFZ	Aliances workshop
513	Indigenous Biocultural Heritage Areas	International Institute for Environment and Devt.	Combined workshop
517	Beyond Jargon: The Next Generation of Communication Strategies for a Sustainable World	National Geographic Society	Aliances workshop
530	Defining the status of the World's Vertebrates	Zoological Society of London	Aliances workshop
536	Assessing Progress towards the 2010 and 2012 CBD Targets for Protected Areas	UNEP World Conservation Monitoring Centre	Combined workshop
544	Financing the Future: Innovative Funding Mechanisms at Work	National Postcode Lottery	Aliances workshop
552	Democratizing Conservation: Lessons from Eastern Andes Protected Areas	Wildlife Conservation Society	Combined workshop
557	Supporting the next generation of sustainable development leadership	International Institute for Sustainable Development	Aliances workshop
558	Protected Areas Management and Social Inclusion: Network Establishment and Development in South America in Support to Public Policies	Programa de Pósgraduação EICOS da UFRJ	Combined workshop
559	Tourism as an instrument for social inclusion and conservation of biodiversity in protected areas in South America.	Programa de Pósgraduação EICOS da UFRJ	Aliances workshop
567	Protected Areas: Developing Effective Legal and Institutional Frameworks	The World Bank	Aliances workshop
568	Forest Carbon's Triple Benefit Bottom Line: Climate, Community and Conservation	Wildlife Conservation Society	Aliances workshop
570	Music, Dance, Drama and Narrative of Sacred Natural Sites and protected areas (part 1)	Cultural and Spiritual Values Task Force	Aliances workshop
585	The role and effectiveness of Small Grant Programs in promoting Biodiversity Conservation	The World Bank	Combined workshop
586	Progress on the Implementation of the Global Strategy for Plant Conservation	The World Conservation Union	Aliances workshop
589	Ending the International Trade in Illegal Timber	Natural Resources Defense Council	Aliances workshop
605	Intercambio de experiencias sobre conflictos entre humanos y vida silvestre en Latinoamérica	FAUNAM A.C.	Aliances workshop
612	Local Action for Biodiversity (LAB): Enhancing urban biodiversity through a global network of local governments	Local Action for Biodiversity	Aliances workshop
616	Reoptimization of major water management systems to restore aquatic ecosystems and human livelihoods.	The Natural Heritage Institute	Aliances workshop
619	Integrating Protected Areas into Socioeconomic, Political, Cultural and Biological Landscapes: Setting Targets and Priorities	Conservation International Andes	Aliances workshop
621	Reaching agreement on principles for wild salmon conservation	Wild Salmon Center	Aliances workshop
627	Lessons Learned on Human and Environmental Security and the Way Ahead	Arab Group for the protection of nature	Aliances workshop
638	Training methods on education about international aspects of biodiversity for nature/ecoguides (volunteers included)	IVN, Association for Environmental Education	Combined workshop

643	Community-private partnerships for conservation-based businesses	African Wildlife Foundation	Aliances workshop
653	Gobernabilidad local de la diversidad biológica y cultural	INTERCOOPERATION	Aliances workshop
665	The impact of illegal activities on conservation.	United States Government, Department of State	Combined workshop
698	IIRSA : integración económica versus desintegración socioambiental, hacia un diálogo ciudadano y la reflexión política	Centre Coopération Internationale Recherche Agrono	Combined workshop
704	The Bushmeat Crisis and DNA Barcoding: Building an Infrastructure for Action	Zoological Society of San Diego	Aliances workshop
707	Management, planning and design of the European Landscape	European Foundation for Landscape Architecture	Aliances workshop
762	Local participation and biodiversity conservation in Europe: consequences and actions to meet the neglect of gender equality	Norwegian Institute of Nature Research	Aliances workshop
774	"Les collectivités locales : acteurs incontournables dans la gestion durable de la biodiversité. Quel place au sein de l'UICN?"	Fédération des Parcs naturels régionaux de France	Aliances workshop
796	Towards a consistent, integrated framework for conservation planning for species survival	James Cook University	Aliances workshop
798	New approaches to conservation	World Wide Fund for Nature	Aliances workshop
815	Partnerships for conservation - linking ex situ and in situ conservation in Europe	Botanic Gardens Conservation International	Aliances workshop
817	Rethinking Destination Management at World Heritage sites: Policies and Processes for Engaging the Tourism Industry	World Heritage Centre (WHC), UNESCO	Combined workshop
883	Directrices para el fortalecimiento de alianzas entre distintos actores para el desarrollo de mecanismos e incentivos para la conservación y el monitoreo de bosques nativos	Governo do Paraná Instituto Ambiental do Paraná	Aliances workshop
892	Des concepts aux outils opérationnels: les savoirs traditionnels dans la protection environnementale	Università di Bergamo	Aliances workshop
898	How a hotel can become an active agent of biodiversity conservation in its community ?	Accor	Aliances workshop
901	Bringing knowledge to the needy: building partnerships in the biodiversity information world	Belgian Biodiversity Platform	Aliances workshop
903	Networks for better environmental information and governance	European Environment Agency - EEA	Aliances workshop
910	CBD Gap Analysis: Strategy, Standards and Tools Supporting Achieving CBD Targets and MDG Goals	UNEP World Conservation Monitoring Centre	Aliances workshop
917	Sustainable Tourism Certification: Conserving natural resources and protecting a tourist's right to responsible travel opportunities	Rainforest Alliance, Inc	Combined workshop
921	The landscape mosaic: building upon biological connectivity, governance diversity and socio-economic synergies.	Politecnico di Torino - Diter (CED PPN)	Aliances workshop
936	Biodiversidad en la ciudad de Barcelona: conocimiento, gestión, difusión y participación.	Ajuntament de Barcelona	Aliances workshop

939	Legal tools for PAs Governance	Italian Federation of Parks and Nature Reserves	Aliances workshop
940	Towards a Federation of Mediterranean Protected Areas	Italian Federation of Parks and Nature Reserves	Combined workshop
967	Bridging the Nature-Culture Divide to Conserve the Diversity of Life	Quebec-Labrador Foundation/Atlantic Center for the	Combined workshop
982	The role of Customary Law in Conservation & Protected Areas	Commission on Environmental, Economic and Social P	Aliances workshop
1002	Buy, Sell, Trade!	World Business Council for Sustainable Development	Aliances workshop
1019	Global Polar Bear Conservation and Research: Challenges into the 21st Century	U.S. Fish and Wildlife Service	Aliances workshop
1040	Desafíos en el manejo de sitios de patrimonio natural de la humanidad en America Latina.	Charles Darwin Foundation	Combined workshop
1055	Recognising, rewarding and refining the role of pastoralists in biodiversity conservation, especially in drylands	League for Pastoral Peoples and Endogenous Livesto	Aliances workshop
1096	The Mediterranean Biome: Leveraging Public and Private Funding to Achieve the CBD 10% Goal	The Nature Conservancy	Combined workshop
1121	Do we need a legal framework for water and lake management at global scale?	Global Nature Fund	Aliances workshop
1143	The theory and practice of sustainable tourism	Tour Operators' Initiative for Sustainable Tourism	Aliances workshop
1161	Protected Areas for Life: Safeguarding the Long-term Financial Sustainability of Protected Areas	The Nature Conservancy	Combined workshop
1175	Regional Challenges for Conservation: A Model for National Leadership and Conservation Impact	The Nature Conservancy	Aliances workshop
1192	Innovations for Sustainable Economies	Worldwatch Institute	Aliances workshop
1211	La restitución de los territorios indígenas en áreas protegidas: justicia y diversidad en un mundo plural	Dirección de Pueblos Originarios y Recursos Natura	Aliances workshop
1257	Conservation Commons: Working to ensure conscious and equitable sharing of knowledge resources to advance conservation.	The Nature Conservancy	Aliances workshop
2002	Private Sector Financial Institutions and Sustainable Development: Their Decisions, Their Accountability and Their Role	World Environment Center	Aliances workshop
2004	Japan proposal (provisional title)		Aliances workshop
