IUCN EUROPEAN UNION OUTERMOST REGIONS AND OVERSEAS COUNTRIES AND TERRITORIES PROGRAMME

Dear colleagues,

We are delighted to announce the launch of **IUCN's Europe Overseas Forum**. It is an email discussion group for everyone interested in advancing biodiversity and climate change action in the Outermost Regions and Overseas Countries and Territories of the European Union (EU).

Join the Forum to share knowledge and experiences, news and updates, and to exchange opinions. Simply click the JOIN button below and follow instructions.

Once subscribed, you can address the whole group by writing in English, French or Spanish to europa_overseas_forum@googlegroups.com, or posting information directly on the **group's page online**. You can receive messages sent by other members right into your inbox, or alternatively, read them all online.

The group is established and moderated by the **IUCN EU Outermost Regions and Overseas Countries and Territories Programme** team. For more information, please write to euoverseas@iucn.org.

Looking forward to welcoming you as members of the Forum!

Kind regards,

Dominique Benzaken
IUCN EU Outermost Regions and Overseas Countries and Territories
Programme Coordinator

IUCN (The International Union for Conservation of Nature)

IUCN helps the world find pragmatic solutions to our most pressing environment and development challenges. It supports scientific research, manages field projects all over the world and brings governments, non-government organizations, United Nations agencies, companies and local communities together to develop and implement policy, laws and best practice.

You have received this invitation because the IUCN EU Outermost Regions and Overseas Countries and Territories Programme might be of interest to you.
