

6th World Environmental Education Congress  
**EXPLORE EXPERIENCE EDUCATE**  
19 – 23 July 2011 | Brisbane, Australia

**Register your interest to attend at [www.weec2011.org](http://www.weec2011.org)**

## 6th World Environmental Education Congress

You are invited to join us in Brisbane, Australia to learn from, meet and network with environmental and sustainability educators from around the world.

The most recent Congress was held in Montréal in May 2009, with some 2200 participants from 106 countries. The 6th World Congress in Brisbane, Australia in July 2011 provides environmental educators with a unique opportunity to share and showcase their work with colleagues from around the world.
